Ken –

I received your voicemail and tried calling you back regarding Cargill. I am working outside the office today. My voicemail back to you asked if you could summarize what issues about Cargill you are interested in discussing. Depending on the issues/questions, I will need to engage with some of my colleagues who are much closer to the Cargill issue than I am. You can either leave me a voicemail at 415.947.4256 with some additional details on what your inquiry is regarding or shoot me an e-mail if that is easier. I look forward to hearing back from you.

If you wish to contact me directly on my EPA cellphone, you can reach me at 415.760.9170.

Regards,

Brent Maier
